Homework:

Please make sure that your students are doing their homework neatly; if we cannot read what was written, your student will have to rewrite the paper during recess time.

You can reach me at:
marguerite.mcpherson@fppsphoenix.net

Penmanship: Starting in October, students will lose points on graded papers for capital letters used in the wrong places and for no spaces between words. Please try to talk to your student about this. Thank you! We also need letters to be the correct sizes (short letters short and tall letters tall)

We will be using punch cards in class that your students can use to buy things from our class store. They earn one punch each day they are in class, and one punch for correctly completed homework each day. They can also earn a punch for 100 on their spelling tests and 100 on their phonogram tests.

fun

I will be showing your student how to write book reports out using the fun book report forms I use. I will be writing book reports with them the first 2-3 weeks of school. A book report will be due every two weeks, and each one is worth 10 points. (They need to read the entire book for a book report.)

Students of the Week:
