Arizona Merit testing is THIS MONTH, starting April 5.  
Your student will NOT be able to use a multiplication chart for the tests; please help them to memorize multiplication facts so they will not get stuck on the test.

We are NOT allowed to help our students at all other than reading the instructions to them.

This is Week 30 of school!  
There are only 6 weeks left in the school year!

## splash

Please make sure your students are working on their book reports throughout the week; they are due with their homework folders on Friday mornings.

*you are awesome*

In your student's homework papers is a question paper for the chapter they should be reading this week. **They should be answering the questions nightly as they read.** I am grading this by how many words there are for answers.

Students of the Week for Week 29:
