Math:

Homework:

Please make sure that your students are doing their homework neatly; if we cannot read what was written, your student will have to rewrite the paper during recess time.

EDIT TITLE HERE

3rd Grade News

This past week we learned about seahorses and a map of our earth's continents and oceans. We did a seahorse craft too. Next week we will be studying starfish and making a starfish craft.

Handwriting

Please have your student practice writing at home; even a grocery list would be great. They need to have spaces between words and not use capital "s" in their words. We need to work on those "s" letters as well as making our short letters short and our tall letters tall. Thank you!

I have been showing your student how to write book reports out using the fun book report forms I use. I will be writing book reports with them the first 2-3 weeks of school. One book report will be due every two weeks, and each one is worth 10 points. (They need to read the entire book for a book report.)

Class behavior: students are expected to be on their best behavior while at school. If they are up walking around in class without permission or talking in class without permission, they may lose recess time.
