# 3<sup>rd</sup> Grade News

Everything this past week was kind of crazy due to some of our students exposed to covid. I will be making up packets with work for students still at home, and will **record** Zoom videos for math and some other classes.

## Handwriting

Please have your student practice writing at home; even writing out a grocery list or a letter to a relative would be great. They need to have spaces between words and not use capital "s" in their words. We need to work on those "s" letters as well as making our short letters short and our tall letters tall. Thank you!

I have been showing your student how to write book reports out using the fun book report forms I use. I will be writing book reports with them the first 2-3 weeks of school. One book report will be due every two weeks, and each one is worth 10 points. (They need to read the entire book for a book report. If the book is a chapter book, they can do a report on one chapter.)

**Class behavior:** Your students have been very well-behaved in class, and I'm really pleased. We have not needed to have anyone lose recess time for poor behavior!
