Thank you!

Spalding - Phonograms - a, c, e ,f.. Working on counting sounds in a given word. Writing practice of all phonograms. Review of a - z, using the Phonogram Circus DVD.

Reading - We will continue working on sight words and the importance of print.

Ways to help your child:

* Help your child practice writing letters from A to Z. Ask the student for the letter name and the letter sound.

Science - This statement is taken off the Arizona State Standards list - In kindergarten, students use their senses to help them make observations about the world around them, recognizing patterns and the structures and functions of living and non-living things.

These next few weeks we will be observing and asking questions about patterns of the motion of the sun, moon, and stars in the sky.

Social Studies - Our unit this week will be about key American symbols.
