

# Franklin Phonetic School and Preschool-Sunnyslope

## Preschool News

January 11-15, 2021

Next week we will be learning about Polar Animals. We will do iceberg counting, making Penguin 2D shapes, learning Polar Bear letter and sound matches. We will continue learning to use our listening skills and following directions and being good friends to each other.

## Parent Information

Dear Parents,

It has been a fun first week of being back to school and returning to our routine. The children have been great and have their usual enthusiasm in learning. We have added a new activity when we are out on recess. We have been riding bikes and scooters and the children love them. We have been taking pictures and will put them on the next newsletter. Thank you for your continued support of the Franklin Preschool.
